

The Town of Georgina Equity and Diversity Advisory Committee (GEDAC) is proud to announce the winner(s) of our GEDAC LOGO CONTEST:

**ROSHNI, TUSHAR AND DHIR PATEL**

**The Logo printed above will now be proudly displayed on all advertising and printed materials issued by the GEDAC. When the Patels were informed of their winning entry they had wonderful things to say about the Town of Georgina.....**

“The most honor goes to my 5 year old son Dhir, who came home one day and surprised my wife and I with a craft he had done in school that day, which depicted a drawing of him, in the middle, holding hands with both parents on either side. We were then invited to his school for a kids’ performance and class visit in the evening. The show was fabulous and besides that, we were asked if wanted to have a tour of the school, which we did. Right in front of my son’s kindergarten class room, I saw paintings done by my son and other children which were self-portraits. We noted that my son had coloured his picture completely brown (East Indian), where others were tanned and similar colours. When we moved to Keswick two years ago, we moved into the Simcoe Landing subdivision in south Keswick which is a neighborhood of all colors. We are so excited to see my child growing up in such a diverse culture. Every summer when his friends come over to play it just feels that this is what living should be. We love the area where we live – That is Georgina. This is what inspired us to create this logo. **Our logo is as diverse as Georgina is.**

We once again, would like to thank you and the committee for this honor.”

**THE GEDAC WOULD LIKE TO THANK ALL THOSE WHO SUBMITTED THEIR AMAZING ENTRIES AND MADE THE FINAL DECISION FOR A WINNER A VERY DIFFICULT ONE.**
