

**CIVIC CENTRE RECREATION PARK
OPEN HOUSE!**

The Town of Georgina will be unveiling the updated plans for the Civic Centre All Season All Ages Park on Monday, October 19, 2009 at 7:00pm at Club 55 in Keswick (located at the Stephen Leacock Theatre at 160 Gwendolyn Blvd.).

The Town received federal and provincial funding totalling \$9.5 million for the development of this park and has been working very diligently to create a sensational year-round recreation facility. To the existing amenities, the project will add elements such as new ball diamonds, an artificial soccer field, tennis and basketball courts, skating, BMX bike track, toboggan, tube and snow terrain, a splash pad and beach volleyball, among other activities.

This Open House is your opportunity to hear a brief presentation from the Town's Consultants and to see the various components of the park and provide you with the chance to talk to the Consultants and Town staff about this very exciting project.

All are welcome to attend as we prepare for this project to commence construction this fall.
