

Factors for Allocation of Capacity in the Water Treatment and Sewage Treatment Plants

	<u>Type of Use</u>	<u>Persons Equivalent</u>
i)	Single-detached, semi-detached, duplex residential	2.9/unit
ii)	Apartment residential	2.0/unit
iii)	Seniors apartment residential	1.5/unit
iv)	Industrial	49/ha

Note: Should the Regional Municipality of York establish new standards for allocating capacity the above factors will be modified to conform to the new Regional standards.
