Georgina Town Council April 19

Applications for draft plan of subdivision approval and zoning by-law amendment

Council approved the recommendations in the report, which provided an analysis of a proposed draft plan of subdivision and zoning by-law amendment for the property municipally addressed as 23349 Woodbine Ave. Council resolved to reconsider the applications pending the receipt and addressing of Council, staff and public comments. The proposed draft plan of subdivision would create 21 blocks for future development, a block for the planned Highway 404 extension, a block for a proposed intersection with Woodbine Avenue and four blocks for reserves. Four new municipal streets are also proposed. The proposed zoning by-law amendment would implement various standard business park zones in accordance with the underlying land-use designations in the Keswick Business Park Secondary Plan.
