Award of contract – watermain replacement Cockburn subdivision

Council approved the award of contract to Rabcon Contractors Ltd. for the watermain replacement for the [Cockburn subdivision](#). The watermains to be replaced are located on Grew Boulevard, Sunnidale Boulevard, Meadowlea Avenue, Faircrest Avenue and O'Connor Drive. Throughout the construction period, residents will be notified of the project, its local impacts and any potential water service interruptions. Residents will have short interruptions to their water service as it is switched from the existing watermain to the new watermain. Some residents may also have temporary interruptions to the use of their driveways. Residents will be informed prior to water service or driveway access interruptions.

2024 Budget schedule

Council received the report on the 2024 budget schedule and directed staff to develop the 2024 draft budget to reflect efficiency savings, inflationary pressures, growth-related pressures, legislative/contractual requirements, and proposed service-level changes that align with the updated Corporate Strategic Plan and associated asset management plans. The 2024 draft budget will be released on Oct. 25, 2023. The following day, copies of the draft budget will be available on the Town's website to provide Council and the public with an opportunity to review the material prior to Council consideration on Dec. 5 and 6, 2023.
