The watertight tests of all three pools is now complete and tile installation has started. The interior glass curtain wall frames are being installed and the walking track railing is nearing completion. Landscape work has started with most curbs and planters complete. The project is on track for the MURC to be substantially complete in Q4 2023. Following turnover to the Town, there will be work to outfit with furniture and equipment, making the MURC ready to open to the public in Q1 2024.

After months of discussion, this collaboration will bring a new multi-use path to the west side of Woodbine Avenue, from Glenwoods Avenue to Garrett Styles Drive, completing a necessary active transportation connection to the Town's new Multi-use Recreation Complex. The detailed design is now underway with construction planned in 2024.
