

Georgina Town Council May 8

Award of contract for the Replacement Civic Centre project to general contractor

Council received the report regarding the results of the Request for Tender process and approved the award of the construction contract to Maystar General Contractors Inc. Council approved a revised total project budget of \$54.1M. The competitive bidding process resulted in the lowest bid price based on the current economic market and what bidders were willing to commit to for a lump sum price. The accepted bid price required that the project budget be increased to \$54.1 M.

2024 Food Vendor Pilot Program at De La Salle Park

Council received the report regarding a 2024 food vendor pilot program at De La Salle Park. Council amended the recommendations to allow two food vendors and up to two rotating vendors (with the option of non-food vendors) at De La Salle Park, with a preference for local vendors. Council also approved allowing two vendors at Willow Beach that could be on a rotational basis, with preference given to food and local vendors. Staff were directed to issue an Expression of Interest to vendors for the opportunity to participate in the 2024 Vendor Pilot Program.

Municipal Heritage Register Review

Council received the briefing note regarding the Municipal Heritage Register Review. An architecture and heritage consulting firm has been hired to conduct the review. The project team is currently working to finalize a work program and develop a communication and consultation strategy. Council also directed staff to establish an ad hoc working group to provide input to the process.

Additional Council information

Comprehensive minutes of Georgina Town Council meetings, which detail the full list of Council decisions, are available under [Agendas and Minutes](#) on the Town website once they have been ratified by Council.
