

# FOUND KITTENS?

If you've found kittens in the Town of Georgina, Town of Aurora, Town of Newmarket or Town of East Gwillimbury, here's what to do:

## Start here:

Are the kittens sick or injured?

## Call animal services in your area or contact the Georgina Animal Shelter

East Gwillimbury Animal Services 1-888-644-5634

Georgina/Aurora Animal Services 1-877-979-7297

Newmarket Animal Services 905-895-5193

## Estimate the age of the kittens.

### 0–2 weeks old

Eyes closed or barely open

### 2–4 weeks old

Eyes open and alert; becoming mobile

### 4–6 weeks old

Very mobile and often talkative; can eat food

### 6–8 weeks old

Very active and playful; around 1–2 pounds

### 8+ weeks old

Very active and playful; 2 pounds or more

## STOP! Can you see the mother cat or a nest?

### Don't kit-nap!

A kitten's best chance of survival is with mom. Leave the kittens where they are and call animal services for more information.

### Are you sure?

Mom may be off hunting or not want to come around if people are present. Watch for her to come back for a few hours.

**Pro tip:** Leave a ring of flour around the kittens. Check in a few hours if you see mom's foot prints in the flour!

Contact the shelter for more information on having the kittens admitted into the Georgina Animal Shelter.
