## We're all ears. Take our communications survey

**Georgina, ON** – Take the Town of Georgina communications survey now until Dec. 19 to tell us your preferences and needs about Town communications. Your completed survey enters you into a random draw for some great prizes.

Complete the survey online or hard copy at one of our below community locations to share your feedback. At the close of the survey, we will draw random winners for ROC Tubing Passes, as well as gift certificates to some local businesses.

Your feedback will be used to help inform our corporate communication plan. A well-informed and engaged community helps us create strong programs and services, and to build the kind of Georgina we can all have pride in.

### How to complete the survey:

- Online at [georgina.ca/survey](https://www.georgina.ca/survey)
