Georgina Town Council Nov. 10, 2021

Application for Official Plan amendment

Council considered the report as it related to Official Plan Amendment application 02.200 to facilitate a severance of the property addressed as 389 Curley St. The severance required an Official Plan amendment application because the property is designated 'Serviced Lakeshore Residential Area' in the Official Plan and the proposed lots did not satisfy Section 11.4.2.8(e) of the Official Plan, which provides minimum lot frontage and lot area requirements for severances in the designation. Council approved the application and passed the adopting by-law.

Deeming by-law application

Council considered the report as it related to Deeming By-law application 06.247 for 24 Eastbourne Dr. The purpose of the application was to merge the entire landholding into one. Council approved the application and passed the associated deeming by-law.
